### **TRAFFIC PATTERN CHANGE ON WESTBOUND SH 183 FROM O'CONNOR RD. TO STORY RD.**

Various lane and ramp closures throughout the weekend to complete traffic switch

**IRVING (May 11, 2017)** – Pending inclement weather or schedule changes, SouthGate Constructors will change the traffic pattern on westbound SH 183 from O'Connor Rd. to Story Rd. this weekend. This work will require various lane and ramp closures throughout the weekend to complete the work:

#### **From 9 PM on Friday, May 12 to 6 AM on Monday, May 15:**

- Westbound SH 183 between O'Connor Rd. to Story Rd. reduced to one lane.
- Eastbound SH 183 between O'Connor Rd. to Story Rd. inside left lane closed (reduced to two lanes).
- At different times during the weekend the westbound SH 183 off-ramp to Story Rd. and the Westbound SH 183 on-ramp at MacArthur Blvd. will be closed.

Portable changeable message boards have been placed in advance to inform the traveling public of the closure. Drivers should expect delays and plan accordingly.

The 28-mile Midtown Express project (SH 183 Managed Lanes Project) is expected to improve mobility by expanding SH 183 from SH 121 in Euless to Interstate (I) 35E in Dallas, as well as SH 114 from SH 183 to SH 121/International Parkway and a portion of Loop 12 from SH 183 to I-35E. The \$847 million project includes design, reconstruction and rehabilitation of deteriorating roadways and the addition of toll managed lanes.
