### **TRAFFIC PATTERN CHANGE ON WESTBOUND SH 183 AT MAIN ST. IN EULESS**

Multiple lane closures on westbound SH 183 throughout the weekend to complete major traffic switch

**EULESS (December 6, 2017)** — Pending inclement weather or schedule changes, SouthGate Constructors will move traffic on westbound SH 183 at Main St. onto new pavement this weekend. The work will require a double lane closure on westbound SH 183 and entrance and exit ramps.

**From 9PM on Friday, December 8 to 6AM on Monday, December 11**

- Two lanes closed on westbound SH 183 at Main St. (Two right lanes on Friday night and two left lanes on Saturday night).
- Westbound SH 183 exit ramp to Main St. closed.
- Westbound SH 183 entrance ramp at Main St. closed.

Portable changeable message boards have been placed in advance to inform the traveling public of the closure. Drivers should expect delays and plan accordingly.

The 28-mile Midtown Express project (SH 183 Managed Lanes Project) is expected to improve mobility by expanding SH 183 from SH 121 in Euless to Interstate (I) 35E in Dallas, as well as SH 114 from SH 183 to SH 121/International Parkway and a portion of Loop 12 from SH 183 to I-35E. The \$847 million project includes design, reconstruction and rehabilitation of deteriorating roadways and the addition of TEXpress Lanes (toll managed lanes).
